Hereby I declare that this Bachelor's/Master's thesis has been composed solely by myself, and it:

1. does not reproduce any of my own previous works without due reference thereto provided;
2. does not reproduce the work created by other authors without reference to the academic or research literature, articles, websites, completed assignments or notes of other students;
3. has not been previously submitted for a higher degree;
4. contains properly used quotations and references;
5. contains a complete bibliography of references and sources used for preparing this thesis.

I am aware that violation of quotation and referencing rules is considered cheating or misrepresentation attempt and is therefore qualified as a violation of HSE Internal Regulations.

I hereby grant HSE / ~~refuse to grant HSE~~ — (select as applicable)

(specify the reason for refusing the publication right)

the publication right to my Bachelor's/Master's thesis in order to reproduce and publish it in full (make it universally available) free of charge, indicating my authorship, date of producing this work and information about my academic supervisor, on HSE corporate website (portal) - www.hse.ru, so that the full version of my thesis may be accessed by any user of this website, from any place, and at any desired time.
